ORDER

ORDER REGARDING:

03/29/2016 186.00 MOTION FOR PROTECTIVE ORDER

The foregoing, having been considered by the Court, is hereby:

ORDER:

This order relates to Docket Entry #186.00 (objection at #190.)

The documents at issue shall be submitted to the court for in camera review by Judge Ecker, so that he is able better to assess, among other things, the underlying claims of privilege and the corresponding need for a protective order.

True copies of the documents at issue should be placed in an envelope addressed to Judge Ecker and delivered to him c/o Judges Secretary, Superior Court, 235 Church Street, 8th Floor, New Haven, CT 06510. The submission should be accompanied by a short non-argumentative cover letter, with a copy of the letter only (without enclosures) sent to all counsel of record.

The court apologizes to counsel for the amount of time that has elapsed between the date of argument and issuance of this order. Initial research work was undertaken before the court decided that in camera review was appropriate.

It is so ordered.
