**CONSENTED TO MOTION FOR EXTENSION OF TIME TO FILE
SUMMARY JUDGEMENT MOTION**

Defendant, Western Connecticut State University ("University"), hereby requests a 30-day extension of time, up to and including November 1, 2016 to file a summary judgment motion. The granting of this motion will result in no prejudice to Plaintiff and counsel for Plaintiff consents to the granting of this motion. In support of this motion, the University asserts that pursuant to the Scheduling Order (Dkt # 106) the parties are to submit any dispositive motions by October 1, 2016. Discovery has closed on this matter. The University requests an extension of time so that it may adequately prepare its summary judgment motion. This is the University's first request for an extension of time and granting this extension will not affect the trial date which is presently scheduled for April 11, 2017.

WHEREFORE, the University moves this Court for an extension of time to file its summary judgment motion up to and including November 1, 2015.
