ORDER REGARDING:
10/15/2013 132.00 MOTION TO STRIKE

The foregoing, having been heard by the Court, is hereby:

ORDER:

The defendants' motion (#132.00) to strike the plaintiff's second amended complaint is granted as to count seven, for abuse of process, because that count fails to allege facts showing that the defendants' removal of this case was primarily for an improper purpose. The motion is denied as to counts one through four (motion by defendant Sparks only), five (motion by defendant Charles River Analytics, Inc., only), six (motion by defendants Sparks and Williams), eight (motion by all defendants) and nine (motion by defendant Charles River Analytics, Inc., only). A memorandum of this decision will be filed in the near future.

Judicial Notice (JDNO) was sent regarding this order.
