MOTION FOR EXTENSION OF TIME

The Defendant Robert Bosco, Jr. (“Defendant”), by and through the undersigned counsel, respectfully requests an extension of time of fourteen (14) days, up to and including May 20, 2015, within which to file a responsive pleading to Plaintiffs NUCAP Industries Inc. and Eyelet Tech NUCAP Corp.’s (“Plaintiffs”) Complaint.

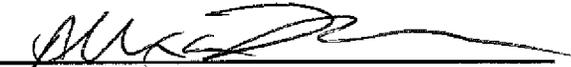

This extension is necessary as Defendant’s counsel requires additional time to review the allegations of the Complaint, and gather necessary information to respond accordingly. Further, the Defendant’s responsive pleading to the Complaint before this Court may be affected by the outcome of a judicial conference to be held this week in the parallel action pending in New York state court.

Counsel for the Defendant hereby certifies that this matter has not been assigned for trial.
